March 14, 2022

Dear Parents/Guardians of TMS Grade 7 students,

There will be an informational meeting on Wednesday, March 30, 2022, at 6:30 p.m. in the auditorium to discuss the Grade 8 Washington, DC trip that will be offered from November 8-11, 2022. The cost of the trip will be \$799 for students participating, which includes the following: bus, hotel, three full breakfasts and lunches, three dinners, all tours/admission fees (as required), taxes and fees, and gratuities.

All information regarding this trip, including the possible itinerary, payments, and fundraising, will be discussed at this meeting. If you cannot attend, informational packets will be available in the main office or on the TMS website under Washington, DC Trip 2022-2023.

**It is important to fulfill all requirements properly. Meeting all deadlines is critical so that unnecessary extra work is not imposed in various ways. The school itself must honor commitments to many people and institutions.**

Administration may prohibit students from going on field trips based on behavior, discipline, or safety concerns. Students **will not** be reimbursed. All TMS rules and regulations are in effect while students are on field trips.

Sincerely,

Jami DeGuire
