

- **Federal Grant Awards**

School districts and open-enrollment charter schools that receive federal grant awards totaling more than \$25,000 and contract awards totaling more than \$550,000, respectively, directly from the federal government on or after October 1, 2010, must report certain information, including a description of the award and, in some instances, must also report the total compensation and names of the top five school officials. A report will be due by the end of the month following approval for a federal grant or contract, and must be updated when there are changes to specific information on file. The new reporting requirements does not apply to federal awards that passed through the TEA (because TEA is covering this reporting effort for federal funds that pass through TEA). School district and open-enrollment charter school are responsible for initiating their own process to ensure compliance with the FFATA reporting requirements by following instructions provided by grantor agencies other than the TEA.

Union Hill ISD does not currently have any grants that meet these criteria.
