

Daniel Boone Elementary
2021 -2022
School Improvement Goals

Instruction: Daniel Boone will show a 5% increase in the gap between scores for the super subgroup and the overall student population in ELA and Math as measured by MAP data.

Professional Learning Communities: 100% of PLCs will set and monitor their SMART goals based on Priority Standards and 85% of our PLCs will meet their SMART goal by the end of 4th quarter

Social / Emotional: Daniel Boone will show an increase in staff reporting that they feel supported in implementing Trauma Informed Care as evidence by an increase in ARTIC survey questions #37 from 5.61 to 5.9
