

Francis Howell Central High School

STUDENT CODE OF DRESS

Students are asked to dress in a reasonable manner that is in good taste. Acceptable and unacceptable dress will be determined by the high school administration. Clothing and accessories that will cause disruption will not be allowed for either males or females. This includes any logos, designs or messages considered to be of an obscene or inappropriate nature.

In addition, specific violations include but are not limited to: male or female clothing that exposes undergarments, stomach/midriff or the back (for example: tops with spaghetti straps, halters and tube tops are not acceptable forms of dress). Shoes and shirts must be worn at all times and students are not allowed to wear headgear or sunglasses.

Certain fashions or styles of wearing apparel that can be construed as gang related are prohibited. Exaggerated sagging will not be tolerated. Pant legs, sleeves, or any garment worn must be worn without orientation to the left or right. In addition, chains, including those used with men's wallets, will not be allowed at school and studded accessories are not appropriate for school.

Non-compliance with the Dress Code may result in the student being required to change their attire, surrender the inappropriate item(s) to the school administrator, parent contact and possible disciplinary action according to the Student Code of Conduct.

Below are the "Seven B's", which help to serve as a guideline for clothing choice:
